

Date: Aug 19, 2025

California’s Proposition 65 requires businesses to provide warnings about significant exposures to chemicals that cause cancer, birth defects, or other reproductive harm. Lead is on the Proposition 65 list of such chemicals.

The table below lists GOLDSTAR products that may contain trace levels of lead in certain components. While these products are lawfully sold and safe for use, we are required to provide this notice under Proposition 65.

For more information about Proposition 65, please visit: www.P65Warnings.ca.gov

Product ID	Description	Component (article)	Alloy	SVHC > 0.1%	CAS No.
CBH	Pen	Tip	Brass	Lead	7439-92-1
CBQ	Pen	Tip	Brass	Lead	7439-92-1
CBW	Pen	Tip	Brass	Lead	7439-92-1
